

- **Better Hygiene, Better Health.**
- We are creating a clean and hygienic environment to your employees and customers. Good hygiene practice is very essential to minimize the spread of illness and prevent infection.

## *Your Air Care &*

## *Hygiene Partner*

- **Pleasant Aroma, Pleasant Smile.**
- We are providing a fresh-smelling environment and leave the pleasant impression to your customers and visitors by eliminate the unpleasant odor.

## ○ **Innovation. Design. Manufacture.**

- Innovation always start with an idea, turned into a new product invention design and manufactured into a product.

Nozomi Marketing Sdn Bhd was established in August 2004, as a leading supplier for household, washroom & Hygiene products in Malaysia and throughout the world.

Our products range consists of air freshener dispensers, aerosol products, tissue dispensers, soap dispensers (normal/auto/foam) mopping buckets (single/double), sanitary bin, floor signage, hand dryers & etc. Our products are widely used in Hotels, Convention Centres, Exhibition Halls, Banks, Offices, Hospitals, Airport, Night Clubs, Homes, Shopping Complex and other places that are suitable. We also offer OEM to International clients or design to their specific requirements.

For sales and marketing activities, our company has engaged dealers and distributors to swiftly handle for our local customers. We also offer OEM to our local supermarket customers like Aeon Co Bhd, Giant Hypermarket & Aeon Big as we are their reliable source supplier for hygiene and car care products. Whereas in the international markets, our company is open to all options such as appointments of distributors and OEM. Throughout the international Exhibition and Trade Fairs we normally will propose and demonstrate our products to the potential customers around the world.

So far we have participated in quite a number of International Showcases organized by MATRADE & other international organization worldwide. MATRADE has about 41 outlets overseas and 5 Domestic branches and we normally get informations on these Trade Fairs through MATRADE HQ and from MATRADE's Trade Commissioners overseas and Directors from the domestic branches.

Since our establishment, Nozomi Marketing has gained its reputation by exporting the products to the related countries and regions such as Middle East, Dubai, Abu Dhabi, Kuwait, Saudi Arabia, Australia, Panama, Lithuania, Russia, Belgium and South and North Asean countries like Vietnam, Taiwan, China, Hong Kong, the United States of America and Brazil.

#### Our Company's Objective Comprises Of :-

- 1) To produce consistent reliable products that are dependable whilst being competitively in price.
- 2) To develop products that are increasingly environmentally friendly during manufacturing and usage.
- 3) To build a name that is synonym and can comply with high standards.

#### The Company's Mission :-

- 1) To build our export network chains and become a major supplier and distributor internationally worldwide and domestically.
- 2) To work closely with our distributors to assist in new designs based on trends, development, marketing and servicing needs.
- 3) To promote the use of cleaner and "greeners" products throughout the world.
- 4) To develop a complete and comprehensive range to washroom accessories for industrial and commercial customers and to our own expectations.

Ensuring customer's satisfaction with good quality products and fair price is our objective with ultimate goal and motto. We welcome international traders for their enquiries and we encourage them to become our business partners domestically and internationally.

## PRODUCT SHOWROOM

Product showroom displayed the complete range of Washroom Hygiene Products and Consumer Goods for house brand and OEM.

S

## FRAGRANCE EVALUATION ROOM

A full floor of 5 evaluation rooms, making into 2 different sizes to simulate the actual usage environment. This evaluation room allowed us to test & validate our fragrance products. A laboratory with aerosol sample preparation facility next to it is quicken the customer's fragrance selection process and shorten the sample preparation lead time.

F

## WAREHOUSE

Our 30,000 sqft full high rise racking facilities warehouse provide sufficient storage space for our local and export goods including raw materials.

W

## ASSEMBLY DEPARTMENT

A fully air conditioned assembly department with Good Manufacturing Practice (GMP) standard facility to ensure the good working environment for our employee. Well trained assembly workers with tight quality control system to ensure only quality products are released into market.

A

## CERTIFICATION

Nozomi are certified with ISO 9001:2008 Quality Management System in Manufacturing and we are working towards Good Manufacturing Practice (GMP) certification.

# Floor Safety

## Enhances floor safety to reduce the accidents

It is important to enhance floor safety by providing necessary floor safety equipment such as anti-slip mats and caution signboard to the visitors and employees in order to reduce the accidents. Anti-slip mat feature anti-skid surface to prevent slip and fall. Caution signboards feature highly visible and noticeable safety signal warning able to draw the attention of visitors and employees.
